

# O'NEIL FOLK HARP

Height: 121cm  
(+24 cm with legs)  
Weight: 12kg.  
Compass: 34 strings (A – C)  
Light natural finish

High quality plated “cam type” semi tone levers enable semi-tones to be easily changed. The colour coding of the levers simplifies the layout of the instrument, helping beginners and experienced players to accurately change semi-tones.

Tuning key is supplied, but an electronic tuner simplifies tuning you harp – excellent for beginners - and a recommended accessory.

The O'Neil has the same design as our popular Kerry Folk Harp, but has a light natural finish. Suitable for beginners it has NYLON strings. Other key features include; a laminated soundboard; high-quality polish finish; good string spacing and a comfortable playing position
